RTSD 26 Chromebook Loan Agreement

Chromebook 1:1 Initiative

Every student and parent/guardian participating in RTSD 26 Chromebook Initiative must adhere to the RTSD 26 Program Policies, Student Code of Conduct, Student Handbook, Acceptable Use Policy, Board policies, and federal/state laws.

Device Specifics:

For RTSD 26 1:1 Chromebook initiative purposes, the technology device covered by this agreement is a Chromebook. One Chromebook, 12W USB power adapter, and case are being loaned to the student. It is the student's responsibility to care for the equipment on a daily basis and ensure that it is retained in a safe environment. The student will need to purchase or provide his own earbuds. Any technical or mechanical issues with the Chromebook must be reported to the school for evaluation and repair.

This equipment is, and at all-time remains, the property of RTSD 26 and is subject to inspection. The equipment may be collected during the final week of school, or sooner if a student leaves, withdraws, is expelled, or goes to an alternative school from District schools prior to the end of the school year.
